

2011-2012 Eye and Vision Research Program Grant and Student Stipend Recipients

Gardner, Thomas, M.D., University of Michigan

A diabetic retinopathy risk of progression calculator (\$15,000)

Hastings, Michelle, Ph.D., Rosalind Franklin University

Therapeutic approaches for blindness using antisense oligonucleotides (\$14,821)

Fort, Patrice, Ph.D., University of Michigan

Characterization of crystalline proteins expression in human retinal effect of diabetes (\$15,000)

Qiao, Xiaoxi, Ph.D. Henry Ford Health System

Targeting APE1/Ref-1 redox function to inhibit choroidal neovascularization (\$15,000)

Wong, Kwoon, Ph.D., University of Michigan

Functional characterization of developmental changes in NMDA receptor subunit composition of retinal ganglion cells (\$15,000)

Goldberg, Andrew, Ph.D., Oakland University

Understanding delayed pathogenesis in retinal degenerations (\$15,000)

Student Stipend Recipients

1. Dr. Vinay Aakalu, University of Illinois at Chicago
2. Dr. Natalie Bajenova, University of Michigan
3. Dr. Shweta Chaudhary, University of Illinois at Chicago
4. Dr. Kristen Harris Nwanyanwu, University of Michigan
5. Dr. Jason Jacoby, University of Illinois at Chicago
6. Dr. Duma Raoof-Daneshwar, University of Michigan
7. Dr. Julia dos Santos, Kresge Eye Institute
8. Dr. Nazeem Shamsuddin, University of Illinois at Chicago
9. Gi Sang Yoon, Wayne State University
